Pediatric Surgical Oncology: The Challenge

Talk by Dr Stephen J Shochat

*Surgeon-in-Chief & Chairman, St Jude Children's
Research Hospital, Memphis, Tennessee*

About the Expert:

Dr Shochat is currently the Surgeon-in-Chief, and Chairman of Department of Surgery at the St Jude Children's Research Hospital, Memphis, Tennessee, USA, a renowned center in childhood cancers. He is one of the few elite pediatric surgeons in the world who focused on Pediatric Surgical Oncology. Under his leadership, he developed an excellent clinical program and a comprehensive training program. He is also Professor of Surgery and Pediatrics at the University of Tennessee, Memphis since 1996. His previous appointments included Chief of Pediatric Surgery, Stanford University Medical Center, California and Head of Surgery in Lucile Salter Packard Children's Hospital, Stanford, California.
