Organized by :
Division of Colorectal Surgery, Department of Surgery
National University Hospital

**National
University
Hospital**

Endorsed by :
Society of Colorectal Surgeons of Singapore (SCRS)

Dear Colleagues & Friends,

On behalf of the Division of Colorectal Surgery, National University Hospital (NUH) (**in collaboration with Yong Loo Lin School of Medicine, National University of Singapore**), I am pleased to invite you to the NUH-NUS International Colorectal Symposium 2007 (in conjunction with National Healthcare Group Annual Scientific Congress 2007). In addition, we warmly welcome you to our Post-Congress Minimally Invasive Colorectal Surgery (MICS) Workshop and Post-Congress Endorectal Ultrasonography (ERUS) Workshop. The focus of this meeting is on minimally invasive techniques in colon and rectal surgery as well as the various procedures in hemorrhoid treatment. Thought-provoking topics will be delivered by local and international experts. Symposium participants will have the chance to engage the speakers in lively and fruitful discussion.

Attendees of the MICS Workshop will enjoy high-quality live surgery transmissions at the newly opened The Tan Sri Khoo Teck Puat Advanced Surgery Training Centre (ASTC) and participate in hands-on cadaveric training at the Skills, Training and Research (STAR) Lab at NUH. For participants of the ERUS Workshop, there will be ample opportunity to learn how to operate state-of-the-art 2- and 3-D endorectal ultrasonography equipment.

The meeting will be held in Raffles City Convention Centre and NUH, Singapore from 10 - 13 November 2007. Please make a date with us in Singapore!

Sincerely,

Dr Wong Kutt Sing, MBBS, FRCS (Edin), FRCS (Glasg), FAMS (Surgery)
Organizing Chairman
Consultant Surgeon
Director, Minimally Invasive Surgery
Division of Colorectal Surgery, Department of Surgery
National University Hospital, Singapore
Clinical Lecturer, Yong Loo Lin School of Medicine
National University of Singapore
