

SECTION OF NEUROSTIMULATION COLLEGE OF PSYCHIATRISTS

INAUGURAL SINGAPORE ELECTROCONVULSIVE THERAPY & NEUROSTIMULATION COURSE

The aim of the course is to help with the continual education of both junior and senior doctors practicing psychiatry in Singapore and the local region with the latest evidence and practice in Electroconvulsive Therapy (ECT) and newer forms of Neurostimulation (rTMS & tDCS). This will also help train local junior doctors for providing ECT locally and with local institutional ECT accreditation.
