

FAQs on Covid-19 for Paediatricians

Organised by College of Paediatrics and Child Health, Singapore

The webinar is organised to engage our Paediatric fraternity and address any queries regarding the current COVID-19 situation. Experts from the Paediatric Infectious Diseases departments in restructured hospitals will be answering questions on COVID-19 from the participants. Prior to the Q&A session, there will also be a short sharing session on COVID-19 by Dr Kam Kai-Qian from KKH. The platform used will be via ZOOM.

To maximise engagement, the number of participants will be capped at 150 for this session. Registration for the webinar will be on a first-come-first-serve basis and via RSVP.

Those who are unable to participate in the webinar are welcome to post their questions via email at cpchs@ams.edu.sg. Questions which are not answered during the webinar due to time constraints will be subsequently addressed via email.
