

4th AMM-AMS-HKAM Tripartite Congress

& 55th Singapore-Malaysia Congress of Medicine

Diversity and Community in Medicine

22 - 24 July 2022

The Singapore-Malaysia Congress of Medicine is an annual scientific meeting organised alternately by the Academy of Medicine, Singapore and Academy of Medicine of Malaysia. The triennial Tripartite Congress of Medicine includes participation from the Hong Kong Academy of Medicine.

This year's 4th AMM-AMS-HKAM Tripartite Congress and 55th Singapore-Malaysia Congress of Medicine will emphasize the diverse range of expertise and experience in Medicine and the need for the medical community to stay engaged in the face of phenomenal changes and challenges. This Congress will provide an expansive opportunity for a synergistic interaction of the various specialties. The programme brings many disciplines together for a collegial sharing of clinical experience and wisdom beyond the shores of Singapore. It is also a unique platform for the medical community to resonate shared values and ideals in Medicine.

Programme Highlights

Digital Medicine
Artificial Intelligence
Big Data

Pre-emptive Medicine

Genomics
Microbiota
Pre-emptive Care

New Norms in Medicine

Award

Call for Abstract Submission

Best Poster Award

The theme for the Congress is 'Diversity and Community in Medicine'. Rapid technical advances and changing landscape of the practice of Medicine has made identification with shared values in the medical community ever more urgent, whilst collective wisdom and strength in the profession needs to be drawn from the diverse experience and expertise in the various specialties and practices.
