ABOUT THE ACADEMY OF MEDICINE, SINGAPORE

Formed in 1957, the Academy of Medicine, Singapore, is a professional institution of medical and dental specialists devoted to advancing the art and science of medicine in Singapore through postgraduate specialist training; maintenance of high standards of competency and ethical integrity through continuous professional development as well as dissemination of information and knowledge to the public on matters related to health.

VISION & MISSION

The vision of the Academy is to be the leading institution for postgraduate medical education in the region. From a pioneering group of 34 members in its early days, the Academy is now the largest organisation of medical and dental specialists with over 4,200 members in the following Colleges and Chapters:
